

# Application Questionnaire

Name of applicant:

Current position: (If you do not yet have relevant publications, please remember to ask an advisor/mentor to submit a letter of recommendation.)

Institutional affiliation:

What is your highest degree?

Research interests:

Which relevant courses did you take?

Please explain in a few sentences why you are interested in participating in an interdisciplinary workshop involving mathematicians and physicists:

Would you be willing to share a bedroom with another participant? If yes, please indicate your gender so we can assign same-gender roommates.<sup>1</sup>

Would you be willing to appear in the video collage we are planning to produce during the workshop?<sup>1</sup>

Would you need a visa for coming to Germany to attend the workshop?<sup>1</sup>

Do you need travel support (lodging will be provided to all accepted participants free of charge)? If yes, please provide a rough estimate <sup>1</sup>

---

<sup>1</sup>Your answer to this question will not influence whether or not you will be selected to attend the workshop.
